

# Perfect

## Valves & Pneumatics

Pressure, Temperature & Flow Switches <> Pressure & Temperature Gauges  
 Pneumatic Valves & Fittings <> Industrial Valves  
 Water Meters <> Instrumentation Accessories

 Indfos A division of the WIKAI group			 sensors & controls					
								

## PRESSURE SWITCHES

### Types:

- Fixed & Adjustable on-off differential
- Flameproof & Weatherproof
- Differential pressure
- Direct sensing & Capillary type
- Diaphragm, Bellow or Chemical sealed
- Threaded, Flanged or Tri clover connection
- Range : -1 to 600 Bar pressure

## TEMPERATURE SWITCHES

### Types:

- Fixed & Adjustable on-off differential
- Flameproof & Weatherproof
- Stem & Capillary type
- Liquid, Vapour & Gas filled thermal system
- Range : -18° to 300° C temperature

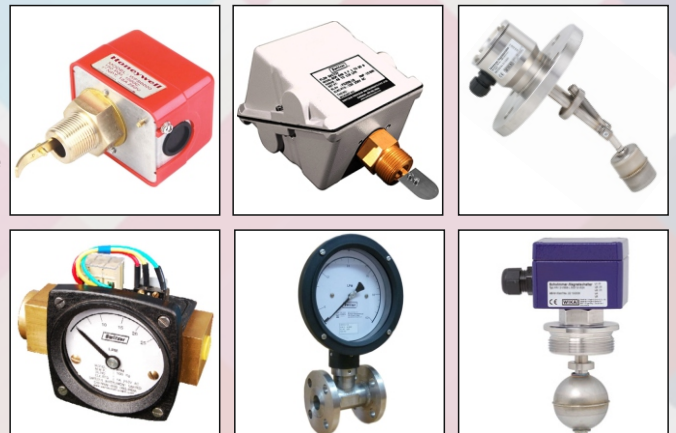

## FLOW & LEVEL SWITCHES

### Flow Switch Types:

- Flameproof & Weatherproof
- 15mm to 300mm line size
- Paddle & Piston type
- Screwed, Saddle or Flanged connection

### Level Switch Types:

- Flameproof & Weatherproof
- Conductive & Non conductive liquids
- Rigid rod, Flexible rod or Coaxial probe

## PRESSURE & LEVEL TRANSMITTERS

### Pressure Transmitter Applications:

- Differential Pressure measurement
- Sensing flow rate
- Liquid level measurement
- Interface level measurement
- Density measurement

### Level Transmitter Applications:

- Continuous & Point level detection

## PRESSURE GAUGES

### Types:

- Industrial, Economical & Commercial
- Analog & Digital
- Bourdon tube, Schaffer, Sealed Diaphragm & Capsule type
- Dial : 40 to 250 mm
- Threaded, Flanged or Tri Clover connection
- Case : M.S., S.S., Cast Aluminium weatherproof
- Range : 0 - 1000 Kg/cm<sup>2</sup>, Vacuum & Compound, Hydraulic in Ton

## TEMPERATURE GAUGES

### Types:

- Gas filled, Bi-metal & Mercury sensing
- Stem & Capillary type
- Digital, Analog & Sika type
- Case : M.S., S.S., Cast Aluminium weatherproof
- Range : -38° to 600° C

## INSTRUMENTATION ACCESSORIES

### Products:

- Thermowell
- Syphon Tube (U and Pigtail type)
- Isolation Valves
- Manifolds (2, 3 and 5 way)
- Snubber & Gauge saver
- Vacuum Generator
- Hydraulic Pumps

## WATER METERS

### Types:

- Magnetic & Non-Magnetic
- Turbine & Electro Magnetic
- Screwed or Flanged End
- Continuous & Resettable meter
- Hot & Cold
- Size : 1/2" to 40" (15mm to 1000mm)
- Remote sensing

## PREPARATION UNITS

### Products:

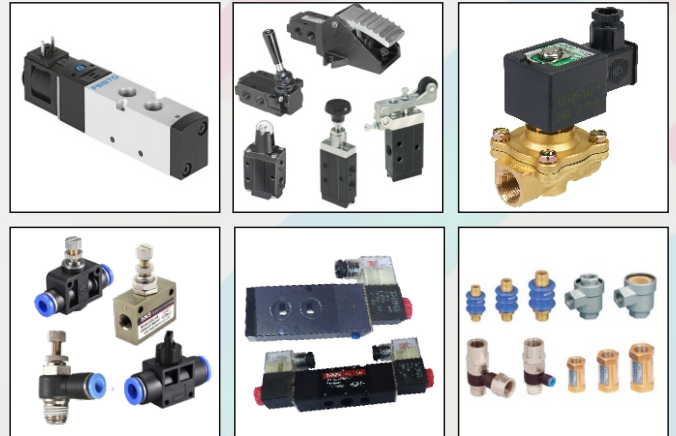

- Filter, Regulator & Lubricator
- Moisture separator
- Auto Drain Valve
- Filter auto discharge

## PNEUMATIC VALVES

### Types:

- Direct, Single & Double acting
- Diaphragm & Piston type
- Solenoid, Pilot & Manual operated.
- Flow control valves, Shuttle valves, Quick exhaust valves, Non-return valves etc.

## CYLINDERS, ACTUATORS & GRIPPERS

### Types:

- Single & Double acting
- Linear & Rotary
- Rod & Rod-less cylinders
- Magnetic & Non-magnetic

## PNEUMATIC PIPES & FITTINGS

### Products:

- Push & Ferrule Fittings
- Quick Release Couplings & Camlock Couplings
- Manifolds
- Silencers
- PU Pipes

## PNEUMATIC TOOLS

### Products:

- Nailers, Stapler, Riveter
- Die Grinder, Air Drill
- Air Nibbler, Air Sander
- Air Body Saw, Air File, Air Knife
- Air Caulking Gun, Air Grease Gun
- Air Impact Wrench

## INDUSTRIAL VALVES

### MANUALLY OPERATED

**BALL VALVES**

**NON RETURN VALVES**

**BUTTERFLY VALVES**

**GATE VALVES**

**SAFETY VALVES**

**GLOBE VALVES**

### ACTUATOR OPERATED

**Perfect Valves & Pneumatics** was established in 1999 with an idea to cater wide range of industries to meet their on-the-shelf to highly sophisticated requirements. Our knowledge, skill & experience enable us to satisfy every need of our client with at most satisfaction. We do our best to provide a complete range of products for variety of application to diverse range of industries.

We are committed to customer's satisfaction in terms of quality through continuous improvement in our systems, processes & service support of our products. List of our client includes Chemical & Petrochemical plants, Steel & Fertilizer plants, Sugar & Textile mills, Ship-building and various other industries.

**"Here Excellence Is Not An Act But A Habit"**

**Perfect Valves & Pneumatics**

667/7, Safree Building, Near Ashirwad Market, Kapasia Bazar, Ahmedabad - 380002.
